You are a Lord of the Elden Ring, in the Lands Between. A mighty Kingdom formed by a race of elves, these lands have been tainted by a long war. Due to the darkness that permeates this land, people have been banished from the lands and only those who dare to journey into them remain. Along with its citizens, these are known as the Lands of the Lost. Travel between the Lands Between and destroy the enemy; learn of the world and connect with others; be the hero and help restore faith and hope. The Elden Ring is a fantasy action RPG game designed to be accessible to a wide range of people. The fantasy and action RPG genre is similar to “Class of Heroes”, “Persona 5” or “Final Fantasy 7”. Game Story “The Lands Between” is a free online RPG game that can be played from 2 to 6 players. Its main purpose is to be a versatile game that enables players to enjoy an action RPG game where they can wander to various locations and join others. Features 1. Fantastic World ♦ World Design A world with amazing hills and fields. A world where different kinds of monsters roam. A world where you’ll meet the people that live there. ♦ Locations A vast map that has 3 regions, which are separated by a river. The western region is the forest. The southern region is the plains. The northern region is a wilderness. The world map is organized into a theme around a main location, which is called an official adventure. The 2nd and 3rd official adventures are the Forest of the Lost and Village of the Lost. 2. Easy Playability ♦ Tutorials There are twelve tutorials that explain the main features of the game. The player can select and complete the tutorials that they want to view at any time. The tutorials do not have to be completed in order to play the game. ♦ Easy to Advance You can freely select weapons, armor, and magic during gameplay as long as you have level 3 abilities. As you advance through the game, the number of skills you can learn will gradually increase. You can freely increase your stats as well. The game makes it easy for players to advance. ♦ Easy to Understand The game does not make you read for a long time in order to play it

Elden Ring Features Key:

Historic & Classic Setting in an Editable World Over a period of about 5,000 years, the balance between the primal forces of nature has been shattered in the Lands Between. The elements once at peace with each other have come to slaughter each other. The Elden King once ruled the lands as an absolute lord, but his cruel deeds of violence have caused the lands to descend into chaos. With the rise of a new power, you will be required to embark on an epic journey to create a new world in which elemental forces once again reign.

RPG in VR Game The game will be an RPG that you can turn to your heart’s content with a VR-supporting engine. Both your hands and gaze will be capable of controlling your actions. Buttons and touchpad controls are also there for those who want to use them, so you can play it as you wish.

Possibilities You’ll Encountered Whether you’re on the path to raising your own army, taking advantage of the resources of your homeland, or simply out of curiosity, your adventure awaits. Easy Interface to Create Your Own Character With just a few simple actions, you can create a new character with a custom appearance. Wide Range of Characters to Match The various characters from all around the world of the Lands Between can be freely combined to create characters with the look and abilities you’re after.
